

Here are my notes from the 11 July 1994 UEC phone conference

attending: Yamin, Appel, Weygand, Crawford

Next phone conference : 25 July 1994 11 AM PDT

Meeting with BNL management: We have selected 19 Sept at 10 AM. Begin making plans now.

Update on FY95 budgets: I have sent a short note to all of the members of the NY delegation, as well as all of the people on both the Senate and House appropriations subcommittees. We express enthusiastic support for both Drell and Henning and point out that there is still time to take advantage of the opportunity to add \$10M to NS for RHIC and \$2M to NS for AGS HIP. Word is that we may get both added in conference in the next few weeks. There is already additional funding in both House and Senate for HEP ops, and DOE is disposed to give us some, on the order of \$4-5M, which will give us 20 weeks of SEB in FY95.

Visit to OMB : I have confirmed with OMB that they would welcome a 2 hour presentation preferably on 26 Aug. I will talk with Nick to get his input and then we will put together a short program with 3-4 speakers to represent our programs in HEP, HIP, and RHIC. This is mainly directed at the FY96 budget process.

Election: Need candidates. We close nominations on 1 Sept and finish voting by 1 Oct. I am making slow progress on the full AGS email list, but hope to have it by the end of July.
